Selectmen's Meeting

OPPOSE MARINA ON NECK

Selectmen went on record in opposition to a proposed marina on Mattapoisett Neck in Harbor Acres. The Selectmen felt that the road to this area is totally inadequate for the traffic to be generated as well as the parking area. They also foresaw possible well pollution in an area where this problem has appeared in the past. The Selectmen forwarded their view on the proposed marina (applicants William E. and Irene K. Mansfield, 10 Noyes Avenue) together with a letter of opposition from Alice Oliver to the Board of Appeals.

BOND CONTRACT AWARDED

Giles H. Dunn Insurance Agency was awarded the contract for Mattapoisett Public Official Bonds for the bid amount of $464.00, the low bid. Other bids were Peter P. Briggs, $502.00, and W.B.B. Child, $570.00.

OIL POLLUTION SITE STUDIED

Selectmen considered a Water Resources Commission request to designate a site for the collection of oil spill debris and waste in the event of an off shore oil spill. The Selectmen were asked to find a paved area near the water for this purpose. They consider that the town wharf area would not be suitable because of the high congestion and heavy use of the area. Other possible sites are either not paved or do not have suitable drainage. The Selectmen took the matter under advisement to have time to consider other possibilities.

SRPEDD REAPPOINTEES

Clarence Fountain and Dr. Clayton E. King were reappointed as town representatives to the Southeastern Regional Planning and Economic Development District.

BREATHALYZER

Raymond Graves, director of the Governor's Highway Safety Bureau, informed the Selectmen by letter that $1,000 has been approved by request of Mattapoisett for the purchase of a breathalyzer. The total price of the equipment is $2590. so the balance must be sought from the town.

EASTER SERVICE AT NED'S POINT

Selectmen granted a request to hold an Easter Service at Ned's Point on April 6th at 7:30 a.m.

NIGHT CLUB CLOSED

Selectmen were advised of the closing of King of the Road until further notice.

LETTER OF THANKS

To the multitude of friends who have been so overwhelmingly terrific in every way during my recent surgery in Boston and subsequent recovery at home, I want to express my deepest appreciation.

I can't begin to tell you how much the expressions of concern have meant to me... the outpouring of get-well cards, the strong support of so many prayers, the lovely flowers, delicious home baked goodies, and many other instances of thoughtfulness have warmed my heart and helped to speed my recovery.

It has been a time to remember anew, God is so Great, friends are as precious as gold, and I am incredibly rich.

Letter to the Editor

I would like to take this opportunity to comment on your editorial which appeared in your March 19th issue, entitled, "Three Improvements?"

First, regarding the proposed commuter parking lot on North Street, this matter was brought to my attention by Wayne Walega. Immediately, I set up a meeting with Vito Cassese, from the District 7 Middleboro office, Steve Lombard, Executive Secretary of the Mattapoisett Board of Selectmen, and Manuel Nunes, your excellent Highway Superintendent. We met and dis-

cussed this matter and at the present time I believe Mr. Cassese is working with the Board of Selectmen in order to determine what the final outcome of this proposed commuter parking lot will be.

I too am very concerned with making sure that any improvement will not affect the aesthetic beauty of the town, especially on North Street.

My second concern was the proposed widening and improvements to the present Route 6. I am working with Representative Charles Decas to set up a three town meeting convenient to the Selectmen of each town and the department of public works in order to make our opinions well known to state officials.

I personally feel that there is no reason for widening Route 6 and would suggest that the road be resurfaced.

My third and final concern is in regard to the proposal for financial disclosure for local political offices. I have stated in the past and will state once again that I am very much opposed to this type of legislation, for I know the harm it will bring to small

ROCHESTER BOWLING LEAGUE - MARCH 25

Guaranteed Pest Control, Buzzy Ladner (347) in charge, remained in contention by winning 2 1/2 points from Bourassa Hardware (Gerry Bourassa 393) as the season draws to a close. Marion Gold (Charlie Savery, Jr. 359) slipped to a 1 1/2 point league lead by dropping two points to Herb's T.V. (Bart Cummins 347). Bob Jefferson's 374 led the BowlMor team to a two point victory in their match with John Hayes (390) and Sturtevant and Hook. Nanfelt's took it on the chin as Louie McKay's 376 was no match for John Cebula's 390. Hartley Saw Mill walked away with two points.

Group will present it April 11 and 12 at 8:00 p.m. Sylvia Bigelow is directing the youthful cast which includes Jennifer Erbland as Tillie, Perdita Finn as Beatrice, Ann Reidl as Ruth, Christy Jones as Nanny, and Kate McGinley as Janice. Performing backstage are Lisa Borsari, Stewart Bolton, Cindy Chamberlain, Sara Cooney, Karen Walega and Katie Black.

This play, which is still timely, is a powerful and moving study of an embittered, vindictive widow and her two young daughters. The title described Tillie's gamma ray experiment with marigolds which wins a prize at her high school - and also brings on the shattering climax of the play.

The production of this play is a learning experience for the young actresses involved, and also for stage, lighting and production crews. All aspects of the performance are being managed by the teens themselves. Profits from the play will go toward annual scholarships awarded to high school seniors continuing their studies of theater in college.

exciting, fun-filled fund-raising event. It is like taking a quick trip to Manhattan or Las Vegas. For two nights on Friday, April 11th, and Saturday, April 12th, the school will literally be converted into a group of night clubs, lounges, restaurants, bars and a casino.

A single admission charge entitles the ticket holder to enjoy a wide variety of quality entertainment. Typical of the fare will be a "Polynesian Review" featuring the Village Players and other talents. This is a fast-moving production which will highlight the best of Broadway's musical hits; an Irish Pub with all the fixings and entertainment featuring the O'Reilly Bros.; a Speakeasy starring the Boo Bette Band; a Fado Fiesta with singers and dancers; lounges for relaxed entertainment featuring Janet Liljedahl, Mary Kramer, the Nautical Notes; a Faculty Review and sing-a-long with special guests at the piano. For those in a gambling mood a full casino will be in operation both evenings.

All in all, this event promises to be one of the best entertainment values ever offered in this area--quality entertainment at a reasonable price.

The greatest challgenge facing the committee, which is co-chaired by Mr. and Mrs. Frank O'Neill, is to develop greater awareness of the tremendous entertainment value offered by Manhattan After Dark. We sincerely hope that you will be able to assist them in this endeavor.

"Run for Life"

"OFF AND RUNNING FOR LIFE AGAIN"

Riding the crest of the wave of running fever which annually envelopes Massachusetts and the running world every Patriots' Day, the NATIONAL RUN FOR LIFE will take place April 26, just five days after the running of the world-famed Boston Marathon.

Sponsored as a fitness and fund-raising program for the American Heart Association, the National Run for Life is conducted collaboratively with the Connecticut Mutual Life Insurance Company.

In 1979, some $800,000 was realized for the Heart Association's research and program activities through the more than one hundred fifty runs which took place nationwide from Maine to Hawaii.

In Massachusetts, plans are already confirmed for runs throughout the state ranging from Cape Cod to the Western Massachusetts area.

The invitation was extended by the Americas Boychoir Federation, whose talent scouts had heard Mulford in various show appearances.

Mulford will fly to John F. Kennedy Airport, New York, to join a group of boys from various parts of the U.S.A. who have been invited as delegates. Eight boy singers will meet to depart for Brussels, Belgium on the evening of April 3.

In Belgium, the group will visit and perform with the "Hit Parade des Enfants", a world-renowned group of boy singers from Lessines, Belgium, who perform popular music at dances and for concert audiences. They perform also, wearing formal choir robes, in churches all over the world.

David will be a guest in the home of a Belgium boy singer's family in Lessines.

The American group will travel then to Cologne, Germany for a musical exchange with the German boy singers of the famous Cologne Cathedral, which is directed by the Rev. Richard March, American musician and theologian. They will travel then to Stuttgart, where they will be guests in the homes of boy singers in a Stuttgart suburb.

Deborah Converse will instruct both the Fall River and Falmouth programs. She has an extensive background in working with volunteers and in developing and implementing workshops for volunteers and volunteer supervisors.

Participation in each Volunteer Leadership program is limited to thirty-five. Anyone may register for the course. The Volunteer Leadership program is through a grant for the Massachusetts Department of Elder Affairs. The Institute is an independent activity within the Division of Continuing Studies at SMU.

For more information about the program, including registration procedures, contact the Institute Staff Coordinator at 994-9681.

Happy Easter!

Sweet Breads with every breakfast.

Located on a raised site overlooking Plymouth Harbor in the heart of Bay State bog country, busy Cranberry World now ranks as one of the top tourist attractions in this picturesque coastal community of historic landmarks. Both Plymouth Rock and Mayflower II are within ten minutes walking distance of the Center.

A major art exhibit, now through April 30, in the museum's "Cranberry Gallery" features works by seven distinguished Black American artists, all residents of New Jersey, a key cranberry-growing state.

Surrounded by three actual working bogs, Cranberry World offers visitors two floors of absorbing exhibits, audio-visual presentations, and three-dimensional displays tracing the 300-year saga of the tangy red berry from pre-colonial days to the present.

Continuing to rival the permanent exhibits for popularity at Cranberry World are daily cooking demonstrations held at the Center's modern test kitchen - samples distributed.

Group visits are welcome at all times but reservations are required. They can be made and additional information obtained by writing or calling: Cranberry World, Water Street, Plymouth, Mass. 02360; telephone 747-2350.

UNIQUE MARINE CORPS RESERVE PROGRAMS

The Marine Corps Reserve Unit at Camp Edwards, Mass. has additional openings for two programs available to high school seniors.

The first program is called the category 'P' Program. It is designed to let high school seniors, who are already in the delayed entry program, work and participate in local Marine Corps Reserve activities one weekend per month, and they get paid for their participation. It doesn't interfere with school work and they get prepared for Marine Corps boot camp.

The 85-day program now has a new twist in it. A high school senior would go to Marine Corps boot camp his first summer after finishing high school. His second summer, after his first year of college, he would be formal school trained in his military job field. Upon completion of his formal school training he would receive a check for $750.00 of the total of $1,500. that he will receive over a four year period. This program is called the 85 Day Program
